The screenshot shows a mobile application interface for a comic book series. At the top, there's a header with the genre "Fiksi ilmiah" and the title "Twin Maths" by "twoarf". It also shows a rating of 6,67 and 585 reviews. Below the header is a short description: "Matematika membosankan? Matematika sulit? Coba dulu deh...". To the right of the description is a circular thumbnail featuring two characters from the comic. The main content area displays a list of episodes, each with a small thumbnail, the episode title, the date it was published, and its like count. The episodes listed are:

- #6 Latihan Soal dan Penutup (1 like, 2024 Jan 6)
- #5 Bunga Tunggal (1 like, 2024 Jan 6)
- #4 Bruto, Netto, Tara (1 like, 2024 Jan 1)
- #3 Untung, Rugi, Diskon (1 like, 2023 Des 18)
- #2 Prolog (2 likes, 2023 Des 12)
- #1 Pendahuluan (5 likes, 2023 Des 11)

Red callout boxes with arrows point to specific elements on the screen:
